### **BLURRING THE DISTINCTION, BETWEEN LITERAL, AND IMAGINATION**

An art school text  
(imagination for the future -  
Collective energy, or idea  
about the real, and the tangible.

Something that can be experienced -  
literally -  
imaginatively  
collectively  
- together, in the moment,  
and then - beyond that  
(distributed.) - publicly

Past - in all it's
